

Wedding Guide

What better place to get married than in Fulton County, gateway to the majestic Adirondack Mountains. Let the Fulton County Regional Chamber of Commerce & Industry make your wedding plans stress-free, and let this guide be your official planner for the most romantic day of your life. From the point of your engagement to the night of your wedding, we have included the engagement ring jewelry shops, your wedding night accommodations, and all the services in between.

Whether your invitation list is 30 attendees or 300, Fulton County has banquet facilities with some of the best chefs in the entire region that can accommodate your needs. And our member restaurants are very popular places at which to schedule your rehearsal dinner, too!

Your one-stop wedding planner is this guide... for wedding dresses or tuxedos, flowers, decorating ideas, invitations, your wedding cake, entertainment, and special gifts, look no further...it's in here! We speak highly of our Chamber members, because we know they will make every effort to make your day enjoyable and truly special.

Will you want to capture your precious moments with a photographer and/or videographer? With the advancements in technology, our members can provide you with media from which you can view your wedding day on television or on your computer monitor, in picture or video form.

How about your plans for shedding some pounds, toning up or tanning for that special day? Let one of our Fitness members help you to feel your best for your wedding day...or for any day.

And after the honeymoon, we have provided you with information about a couple of fantastic dry cleaners who will clean that detailed gown and preserve it to make great memories for your children or grandchildren; and there are listings of printers who can print for you the best thank you cards to remember those who made your day special.

Make your wedding plans in Fulton County with one of our Chamber members from this guide. And if you need more information, please contact the wedding and event specialists at the Fulton County Chamber at (518) 725-0641.
