

“Bet on Fulton County” \$10,000 Tourism Raffle

RAFFLE RULES

Process of Elimination Raffle

All 300 Tickets go into the raffle barrel.
(Unsold tickets will remain outside of the raffle barrel.)

Every ticket is initially drawn from the raffle barrel.

Every 25th ticket drawn has the opportunity to choose between a \$100 cash prize or to be entered into a second chance drawing.

If the second chance drawing is chosen, these tickets will be placed in a separate bin. When the last 5 tickets remain in the primary raffle barrel, one ticket will be drawn from the second chance bin and placed into the primary raffle barrel. This allows the ticket holder another chance for the grand prize of \$10,000.

Eleven \$100 cash prizes could be awarded. If a ticket holder decides to be entered into the second chance raffle, the Fulton County Tourism Department will retain those \$100 cash prizes. If one of the 25th ticket holders is not present at the raffle, the ticket holder who is not present will receive the \$100 cash prize and forfeit the second chance drawing.

The last three tickets will be drawn and awarded as follows:

3rd Prize
\$500

Grand Prize

- The last two ticket holders may negotiate to split first and second prizes (1st Prize of \$10,000 + 2nd Prize of \$1,000). If the ticket holders decide to split, each ticket receives \$5,500. If they decide to “Go for Broke,” both tickets are returned to the raffle barrel and first and second prizes are drawn; second prize will be the first ticket pulled from the raffle barrel.
- If both final ticket holders are not present and both have specified opposite wishes (split and go for broke), we will try to contact both ticket holders via the phone number provided on the ticket. If both parties cannot be reached, one winner of \$10,000 (1st Prize) and one (2nd Prize) winner of \$1,000 will be drawn.
- If only one of the final two ticket holders are at the drawing and the absent ticket holder’s wishes to split or go for broke do not agree with ticket holder at event, an attempt will be made to contact the absent person, via the phone number provided on the ticket, to negotiate. If they are not available, the drawing will be held as advertised (a first prize winner of \$10,000 and a second prize winner of \$1,000).
